RESPONSE TO NOTICE OF ELECTRONIC FILING ERROR

On June 7, 2018, the Court issued a notice regarding a filing error with the ADR stipulation filed as Docket Item 368, indicating that Docket Item 368 is not properly captioned, and asking for clarification as to whether Docket Item 368 or the other ADR stipulation filed in this case as Docket Item 367 should be entered by the Court.

By way of background, the parties in this case include Plaintiffs Koninklijke Philips N.V. and U.S. Philips Corporation (“Philips”), Defendants ASUSTek Computer Inc. and ASUS Computer International (collectively, “ASUS”), and Intervenor Microsoft Corporation and Microsoft Mobile Inc. (collectively, “Microsoft”). Therefore, the parties initially filed two separate stipulations. One stipulation is between Philips and ASUS (D.I. 367), and the other stipulation is between Philips and Microsoft (D.I. 368).

As such, to clarify the record and respond to the filing error notice, Philips is filing herewith as replacements for Docket Items 367 and 368, respectively: (1) an Amended Stipulation and [Proposed] Order Selecting ADR Process specifying Philips and ASUS as the stipulating parties; and (2) an Amended Stipulation and [Proposed] Order Selecting ADR Process specifying Philips and Microsoft as the stipulating parties and correcting the caption. Philips respectfully requests that both amended stipulations be entered by the Court.
